

**About us:**

At Crowley Carbon, we provide intelligent solutions for energy efficiency and have grown in expertise to become the foremost multi-disciplinary energy services company. Led by an entrepreneurial management team with headquarters in Enniskerry, Co. Wicklow, we have a number of businesses throughout Ireland, UK and ROW. Due to continued expansion we have 3 Health & Safety Advisor positions available reporting to our Safety Director.

Being key members of our team you will be expected to provide support to our Account Managers and Project Managers on site by providing best practice advice. This is a multi-site role and some travel is involved.

Responsibilities:

- Assist with all Health & Safety areas on multiple sites
- Development of EHS policies and procedures
- Support on-site regulatory audits and maintaining all documentation in relation to this
- Carry out risk assessments and action change controls where necessary
- Communicate and update of safety statement and risk areas
- Investigate and report on all EHS incidents and accidents, ensuring thorough investigations and corrective measures implemented
- Promote best practice and direct site personnel on areas of concern
- Work closely with quality, operations, legal, finance, and HR
- Completion of EHS plans, registers and complete weekly/monthly/annual reports
- Ensure all EHS performance indicators are met
- Continuous drive of safety culture
- Identify H&S training needs, devise & deliver appropriate training

Requirements:

- Third level degree in Health & Safety, EHS or related discipline
- 3+ years' experience
- Strong business acumen and commerciality
- Confident individual with good influencing skills
- Positive energy and quick problem solver
- Ability to challenge current processes and demonstrate leadership
- Detail orientated and target driven
- Experience in high pressure environment and meeting deadlines
- Fluent English speaker
- Knowledge and understanding of mechanical and electrical systems

Location

This position will be based in Crowley Carbon's Powerscourt House office in Enniskerry, Co Wicklow. The role will occasionally involve travel to customer sites.
