

### **Job Title: SENIOR MECHANICAL ESTIMATOR**

#### **About us**

At Crowley Carbon, we provide intelligent solutions for energy efficiency and have grown in expertise to become the foremost multi-disciplinary energy services company. Led by an entrepreneurial management team with headquarters in Enniskerry, Co. Wicklow, we have a number of businesses throughout Ireland, UK and ROW.

The successful candidate will be Reporting directly to Global Supply Chain and Resourcing Director, preparing estimates by compiling take-off based on the scope of work. They will have the ability to read Mechanical Technical Specifications for proposed site installations. Working cross-departmentally they will support the quotation process leading to quote submittal and follow up documenting relevant feedback. The ability to manage multiple projects at once is critical.

#### **Responsibilities of the role:**

- Compiling material take-off
- Accurately quantify material, plant and labour requirements for mechanical projects
- Prepare estimates utilising computer aided systems including input of data
- Negotiate prices with suppliers and subcontractors
- Analysing material prices for suitability & value
- Costing preliminaries
- Costing of multi solution source documents
- Presenting and explaining quote documents to the management team
- Preparing and completing quote submission
- Attending mid and post quote meetings if required
- Handling over successful packages to the site based teams
- Creating procurement schedules
- Ability to read and interpret technical drawings and specifications
- The ideal candidate will have 10+ years' industry experience within a mechanical installation environment and should have proven skills and experience in estimating.
- You will be expected to have appropriate working knowledge to enable you to establish multi disciplinary internal team as well as client's requirements and to specify and communicate with site based teams and specialist providers
- Candidates should be motivated to deliver top quality output, coupled with enthusiastic attitude and the ability to work on their own initiative and as part of a team.

**Location** This position will be based in Crowley Carbon's Powerscourt House office in Enniskerry, Co Wicklow
