

CROWLEY  
CARBON

---

## Health & Safety Manager

### About us

At Crowley Carbon, we provide intelligent solutions for energy efficiency and have grown in expertise to become the foremost multi-disciplinary energy services company. Led by an entrepreneurial management team with headquarters in Enniskerry, Co. Wicklow, we have a number of businesses throughout Ireland, UK and ROW.

### Overview:

We are looking for a Health & Safety Manager to join our team with exposure to senior stakeholders from day one. A key member of our team you will be expected to provide support to our Account Managers and Project Managers on site by providing best practice advice. This is a multi-site role and some travel is involved.

### Responsibilities:

- Oversee Health & Safety areas on multiple sites
- Development of EHS policies and procedures
- Supporting on site regulatory audits and maintaining all documentation in relation to this
- Carrying out risk assessments and actioning change controls where necessary
- Communication and updating of safety statement and risk areas
- Investigation and reporting on all EHS incidents and accidents, ensuring thorough investigations and corrective measures implemented
- Promote best practice and direct site personnel on areas of concern
- Work closely with quality, operations, legal, finance, and HR
- Completion of EHS plans, registers and complete weekly/monthly/annual reports
- Ensure all EHS performance indicators are met
- Continuous drive of safety culture
- Identify H&S training needs, devise & deliver appropriate training

### Requirements:

- Third level degree in Health & Safety, EHS or related discipline
- 5+ years' experience
- Strong business acumen and commerciality
- Confident individual with good influencing skills
- Positive energy and quick problem solver

- Ability to challenge current processes and demonstrate leadership
- Detail orientated and target driven
- Experience in high pressure environment and meeting deadlines
- Fluent English speaker
- Knowledge and understanding of mechanical and electrical systems

**Location**

This position will be based in Crowley Carbon's Powerscourt House office in Enniskerry, Co Wicklow. The role will however involve travel to customer sites from time to time.
