

Job Title **Financial Accountant (Newly Qualified/Finalist Accountant)**

Role

Due to significant growth in the company we have created a new role within our Finance team.

As a key member of the team you will be involved in all areas of the department and with national and international customers.

Ideal opportunity for someone looking to gain exposure to all areas of a busy accounts function and to grow with the company.

The Role:

You will be required to lead and support various areas of the finance team in relation, but not limited, too:

- Cashflow - Prepare weekly for review.
- Monthly Management Accounts
- Support Annual Audits
- Intercompany reporting
- Implementing new ERP System
- Balance Sheet Reconciliations
- Process & filing the P30 / Vat / RCT / P35 returns
- Bank Recs - To review and support team where needed
- Accounts Payable - Full process on an international level.
- Accounts Receivable - Full process on an international level.
-

The Candidate

Newly Qualified/Finalist Accountant (ACCA, ACA)
2-3 years' experience (Non PQE)
Ideally would suit someone looking to make the first move to industry (not essential)
Strong IT Skills and proficient in use of Excel
Keen to take ownership of tasks and follow through to implementation
A highly motivated individual with excellent communication skills
